

**** MANDATORY E-FILING IN EFFECT OCTOBER 1, 2022 ****

Hall County Superior Court Judges recently signed an order **mandating electronic filing in all civil cases**.

FLIC is working to help make the transition as smooth as possible for pro se (unrepresented) litigants, but you should anticipate some additional steps and time commitment for filing during the transition.

In short, this means you will be responsible for uploading your documents to an online system (PeachCourt) AFTER you meet with FLIC. Here is what you can do before your appointment:

1. Register for a PeachCourt account (you will need an email address to do this). You can register from any device with web access (RECOMMENDED PRIOR TO YOUR FLIC APPOINTMENT) at <https://www.peachcourt.com>. Registration is FREE.
2. Handwrite your email address on the signature pages of all of your court documents (use the same email address you plan to use when you register for PeachCourt). **The other party will see your email address, so do not use an email address that is confidential.**
3. After your appointment with FLIC, you can either e-file from a personal computer for an additional fee assessed by PeachCourt (requires scanning and uploading PDFs) OR you can use the free Public Access Terminal in the Clerk of Courts office (ground floor of the Hall County Courthouse). Filing and service fees still apply.
