

Electronic Court Docket Information Now Offered in Hall County

News Release Date
04-25-2024

Posted on April 25th 2024

Earlier this year, the Superior, State, Magistrate Courts, and the Clerk of Court of Hall County began utilizing electronic signage through the courthouse. In conjunction with completing the final phase of the electronic signage project, citizens now have the capability to view electronic court docket information and jury information by downloading the Justice Path Mobile App on any mobile device.
